

THE ANNETTE M. AND THEODORE N. LERNER FAMILY FOUNDATION

EVERYTHING BUT THE TURKEY

2020 EDITION
NOVEMBER 22 – 27

Everything But The Turkey (EBTT) is a signature annual event of the Edlavitch DCJCC's Morris Cafritz Center for Social Responsibility (MCCSR) and draws hundreds of eyes, hearts, minds (and usually hands!) to the issue of food insecurity in our city. Although this year we will need to adapt the program due to the pandemic, one thing we know for sure is that issues of equity such as food insecurity have only grown and our work is as critical as ever.

We will gather both virtually and in person (with all safety protocols in place) to fight hunger and benefit our longtime partner DC Central Kitchen; learn about food justice; and commit ourselves to creating more equity in our community.

Please consider supporting EBTT. The need is real, and your sponsorship of this event is critical.
