

Food packages for Charlie's Place

Charlie's Place is a non-profit organization based out of St. Margaret's Church that serves folks experiencing homelessness in and around Dupont Circle, the EDCJCC's neighborhood. Typically, Charlie's Place serves 70-100 hot breakfast meals during the week, along with providing bagged lunches, clothing, haircuts, case management, activities, art therapy, and some basic healthcare services.

Charlie's Place is a close program partner of ours and they need our help! They have lost 50% of their food donations during this time because of COVID19-related cancellations.
