

Ms. Patricia Gordon

Although I was born and bred in Brooklyn, I spent most of my adult life in New Jersey. In

2004 I moved to Washington DC. While attending NYU undergraduate and graduate school I lived in Manhattan and received degrees in the biological sciences.

After finishing college I moved back to NJ, raised my two boys, and taught high school biology. When I moved to Washington, DC I worked in a law firm until I retired in 2017.

My interests include traveling, eating out, going to the theater, reading and knitting. Knitting has been my savior during this Covid19 pandemic especially knitting scarves and hats for the homeless. Attending luncheons through the JCC and taking classes at UDC are also part of my activities.

I am hoping to be able to travel to visit my granddaughter in Colorado in the near future. Until then FaceTime is working.

This program is made possible by a generous grant from DC Government's Department on Aging and Community Living (DACL), the Jewish Federation of Greater Washington, the Schoenbaum Family Foundation, and the Suevia and Rudolph Behrend Endowment of the United Jewish Endowment Fund.
